RE: 2014 Thermal & Drift Testing License Agreement

Dear Ken:

This letter serves as a confirmation that the Cooling Technology Institute has issued a License to **Clean Air Engineering**, for performing cooling tower thermal and drift testing services in accordance with the terms of the Thermal & Drift Testing Program Agreement approved by the CTI Board of directors. The Duration of the License is for one year, effective, January 2014.

Questions regarding the current status of the license issued to **Clean Air Engineering**, should be directed to Virginia A. Manser, CTI Administrator, at the CTI office.

Best regards,

A handwritten signature in black ink, appearing to read "V. Manser", is written over a horizontal line.

Virginia A. Manser
CTI Administrator
